

Where Client Knowledge Lives.

At Clinked ([www.clinked.com](http://www.clinked.com)) we focus on the intersections of internal teams & external clients – where client knowledge lives. Our platform is white-labelled delivering a seamless branded experience, bank-grade secure for worry-free collaboration on highly sensitive client data, and cloud-based for easy to manage interface across remote teams. In addition, our mobile application allows organisations a quick mobile experience to upgrade service offerings to high touch clients, particularly impactful for those in the financial services industry. Our client-facing philosophy is to make customised, easy to use delivery to both external clients and internal teams simple while being secure and transparent for organisations of all sizes, industries, and geographies.

### Why work with us?

Clinked is a leading start-up for collaboration software platform with a global client base. We have offices located in both central Cambridge, United Kingdom and Liepaja, Latvia. We offer a dynamic, casual start-up working environment to support our team service a growing client base across various industries and geographies. Clinked is the Semi-finalist in the 2012 Cisco British Innovation Gateway (BIG) and Winner of the 2009 Red Herring 100 Europe Awards. Come join our team if you're looking for career growth with an industry innovator and leader.
